

17 PARTNERSHIPS FOR THE GOALS

PARTNERSHIPS FOR SUSTAINABLE DEVELOPMENT

Kuala Lumpur believes that sustainable development is realized through an inclusive partnership with local and global cooperation.

Kuala Lumpur Commitment to SDG 17

POLICIES AND PLANNING FRAMEWORK

Kuala Lumpur 2040

Kuala Lumpur acknowledge that sustainable growth and development requires strong partnership that need everyone to come together and take action:

a) Regional cooperation

Kuala Lumpur via Kuala Lumpur City Hall (KLCH) has multiple partnerships with global cities and international networks.

b) Kuala Lumpur Urban Observatory

KLUO is a centralized database platform and information sharing networks for Kuala Lumpur.

c) Local Partners

Engaging and working together with the city's stakeholders in planning and implementation of program and projects

ON-GOING PROJECTS AND PROGRAMS

TARGET

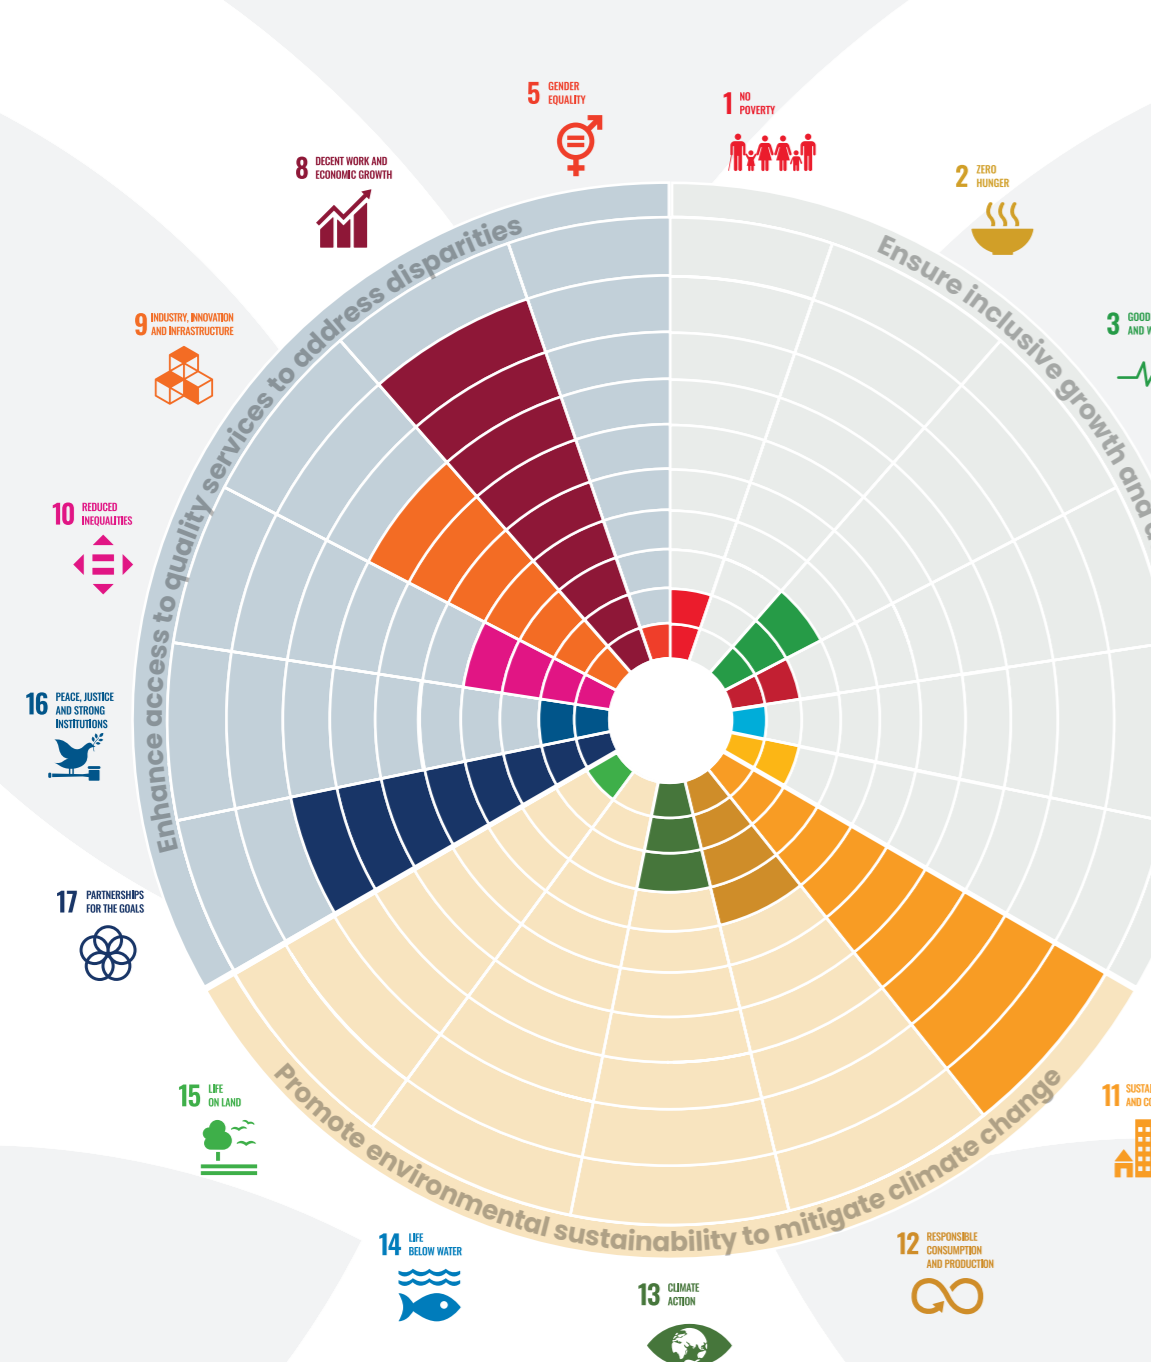

Kuala Lumpur City Hall is prepared to ensure their strategic directions and actions taken are in line with SDGs and NUA to accelerate sustainable transformation of Kuala Lumpur and achieving the 2030 Agenda
