

END HUNGER, ACHIEVE FOOD SECURITY AND IMPROVED SUSTAINABLE AGRICULTURE

Kuala Lumpur is committed to ensure that communities living in poverty have access to sufficient food in order for them to be healthy and productive

Kuala Lumpur Commitment to SDG 2

POLICIES AND PLANNING FRAMEWORK

Kuala Lumpur 2040

- IP1.3** Address the needs of the homeless including temporary shelter, upskilling, access to healthcare and database for a targeted solution
- IP1.6A** Enhance entrepreneurial opportunities in neighborhood areas such as utilising open or underutilised areas to generate neighborhood economy through community gardens
- BM4.1** Encourage the sharing of utility reserves, river resources and underutilised land for activities such as community gardens, nurseries and public recreational areas
- PR4.3(6)** Encourage the use of roof tops and facilities reserves as a space for community gardens
- SV1.3B** Increase green density vertically to include urban farming and parks
- SV2.1C** Activate of parks and open spaces with edible green and urban farms
